

Semi-Gantry Crane

F.E.M | DIN | EN Standard

Single Girder

Stonimage supplies Semi-Gantry Crane equipped with a Wire Rope Hoist designed based on F.E.M, DIN,EN standard, capacity range from 0.5tons to 12.5tons, and span from 3.5m to 25.5m. It owns high safety system through the reliable structure, overload limiter, height limiters. Low clearance from hook to roller, galvanized rope, low noise motor makes the hoist safety, high efficient.

- Light heavyweight design (F.E.M, DIN, EN)
- Steel construction with low-build profile section for optimized hook height
- Minimized hoist extremity
- Sensitive overload limiter, height limiter and infrared travel limiters on carriage beam
- Mobile pendent controller, moveable flat cable system
- Two speed for hoist lifting
- Stepless speed for travel
- Easy emergency button and warranty for 2 years

Item	Span (m)	Lifting Height (m)	F.E.M Grade
Capacity 1 tons	3.5~25.5	3~10	A5
2 tons	3.5~25.5	3~10	A5
3.2 tons	3.5~25.5	3~10	A5
5 tons	3.5~25.5	3~10	A5
6.3 tons	3.5~25.5	3~10	A5
10 tons	3.5~25.5	3~10	A5
12.5 tons	3.5~25.5	3~10	A5

Semi-Gantry Crane

F.E.M | DIN | EN Standard

Double Girder

Stonimage supplies Semi-Gantry Crane equipped with a Wire Rope Hoist designed based on F.E.M, DIN,EN standard, capacity range from 16tons to 50tons, and span from 3.5m to 35m. It owns high safety system through the reliable structure, overload limiter, height limiters. Low clearance from hook to roller, galvanized rope, low noise motor makes the hoist safety, high efficient.

- Light heavyweight design (F.E.M, DIN, EN)
- Steel construction with low-build profile section for optimized hook height
- Minimized trolley and travel extremity
- Sensitive overload limiter, height limiter and infrared travel limiters on carriage beam
- Wireless controller, moveable flat cable system
- Stepless speed for lifting and travel
- Easy emergency button and warranty for 2 years

Item	Span (m)	Lifting Height (m)	F.E.M Grade
Capacity			
16 tons	3.5~35	6~16	A5
20 tons	3.5~35	6~16	A5
25 tons	3.5~35	6~16	A5
30 tons	3.5~35	6~16	A5
35 tons	3.5~35	6~16	A5
40 tons	3.5~35	6~16	A5
50 tons	3.5~35	6~16	A5
